Director Ruth Coleman
California Department of Parks and Recreation
1416 9th Street
Sacramento, CA 95814

Dear Director Coleman:

Together with fifteen other groups and organizations, the Naturist Action Committee respectfully submits the accompanying petition for the designation of areas for clothing-optional recreation in units of the California Parks system. DPR presently has the specific authority for such designation under Title 14 (Natural Resources), Division 3 (Department of Parks and Recreation), Section 4322, of the California Code of Regulations.

In support of the petition, we have included exhibits that reflect, through statistically valid sampling by independent polling, the actual opinions of Californians on the matter. We have also included pertinent documents from the California Department of Parks and Recreation, itself.

We know that you will give this petition the consideration it deserves by law, but we also hope that you will recognize this as an opportunity to manage *for a diversity of recreational activity* in California Parks.

Naturist Action Committee
