SUBJECT: • Suggested revisions to S 224-A

Mr. Casseles -

I understand you've been dealing with Director Morley Schloss of the Naturist Action Committee concerning ways to allow S 224 to be more focused on its intended target, without unintended consequences to naturist venues and activities.

Morley has asked me to mark up S 224 in the manner you've discussed, and I've included the suggested revisions, following this cover sheet. I believe the revisions make the bill more uniform and consistent, while extending specific protections where they are deserved.

Please take a moment to read the suggested revisions. Morley has asked that you give him a call at (561) 791-1361.

Thank you very much for your consideration.
